To Auvillar

*You are beautiful danger  
 You are the ravenous Garonne  
 You are tumescent with timeless rhythms  
 You are florid with roses  
 You are a turnstile of pilgrims  
 Your pilgrims tramp through your arches  
 Your daylight dawns over ruins  
 You break hearts before breakfast  
 Your hill towers above us  
 Your hill offers us wisdom  
 Your hill makes room for our romance  
 You make love to your footpaths  
 You break bread with all strangers  
 You are the well of my conscience  
 You amplify poésie.*
